

Medical Laboratory Assistant

1 Full-time position

OPSEU Bargaining Unit

Posting No: 2019-17
Posted: April 23, 2019 – May 3, 2019

Reports to: Laboratory Manager
Department: Laboratory
Classification: Medical Laboratory Assistant

Position Description:

Under the direction of the Lab Manager, the Laboratory Assistant is responsible for collecting blood samples from patients, cleaning and maintaining medical laboratory equipment, and providing support services to the Lab. In addition, as a member of the Laboratory Team the Laboratory Assistant actively participates in priority setting, developing strategies for work completion, acting as a liaison between physicians and laboratory staff and adheres to hospital policies, procedures, objectives and goals.

Responsibilities:

- Receiving and registering patients for the purpose of collecting blood, venous and capillary samples, and other specimens
- Phlebotomy techniques and all types of blood collection.
- Identifying, accessing, and determining the suitability of specimen for testing
- Prepare patients and specimens for testing, ie. patient collection instructions, storage and transport, centrifugation, aliquot, etc.
- Conduct routine laboratory tests and sample analysis under the supervision of a technologist
- Prepare and send lab specimens out for testing and receive specimens or results from outside laboratories
- General clerical duties including ordering, filing and database entries
- Reading and recording temperatures of instruments, water baths, etc.
- Following the approved methods in the laboratory procedure manuals

Qualifications (Education, Experience, Abilities):

- Certified by examination by CSMLS and/or OSMT
- Graduate of an accredited Medical Laboratory Assistant Program or equivalent
- Current registration with the College of Medical Laboratory Technologists of Ontario (CMLTO) is preferred
- Previous hospital laboratory experience preferred
- **Current Police Check/Vulnerable Sector Screen and immunization status required upon hire.**
