

Medical Laboratory Technologist

About Us

The town of Hanover has a bit of history, local celebration, entertainment and is an all-around good time. Whatever your season, there are opportunities to enjoy what the area has to offer. Centrally located to beaches, skiing, provincial parks, golfing, and cottage country, there is never a dull moment. The town of Hanover boasts numerous amenities including exceptional recreational, cultural, educational and employment opportunities that all contribute to a fantastic quality of life at an affordable rate.

Hanover and District Hospital (HDH) provides a safe and supportive health care network to grow your career by being strongly committed to creating and maintaining a workplace of choice where you (staff) are recognized and valued. We are committed to investing in you to ensure that you have the required support, training and resources to deliver the best care possible.

HDH endeavours to promote a positive work culture and strives for work-life balance. We actively participate in developing initiatives that encourage these ideals, promote interdepartmental collaboration and establish HDH as a Rural Centre of Healthcare Excellence. Our most recent Staff Satisfaction Survey resulted in 94% of staff rating HDH as a good, very good, or excellent place to work!

HDH is Accredited with Exemplary Standing, the highest rating a Canadian hospital can receive and works closely with its partners to provide a full range of primary acute care hospital services and selected secondary services to meet the needs of the population.

A hospital system built for and by the community, we continue to provide uninterrupted services to meet the needs of a growing population, creating opportunities for growth. Guided by our accomplished senior leadership team, together we are driving our mission of providing exceptional care forward.

At HDH, we invest in careers that go beyond where health care professionals like you can achieve their goals and find deep personal and professional fulfillment.

Currently, this MLT position includes the successful applicant to be on-call. This on call portion is only temporary. We need you to help us move towards a 24/7 model.

Join our team today!
