As a part of our commitment to the health and safety of our patients, staff and community from COVID-19, the Huron Perth Healthcare Alliance requires that all staff have received the required doses of COVID-19 vaccine approved by Health Canada.

The Huron Perth Healthcare Alliance (HPHA) is an equal opportunity employer that strives to create a respectful, accessible and inclusive workplace. HPHA is committed to creating an environment where all staff, physicians, volunteers and patients see themselves reflected in the workforce, physical surroundings and the broader community, and where everyone feels safe, valued and free to be who they are while receiving fair and equitable supports and opportunities. Upon individual requests, attempts will be made to accommodate those with disabilities. Should any applicant require accommodation through the application, interview or selection process, please contact Human Resources for assistance.
